THIS DELICIOUS TONIC, ESPECIALLY for the use of the
Medical Profession and the Family,
 possesses those **INTRINSIC** medicinal properties,
 tonic and Diuretic, which belong to an
OLD AND PURE GIN.

"Corbitt," "Medicated," &c., has become so common that the public are justly suspicious of every thing that is offered under similar forms. The Trade has thus been brought into disrepute, and has remained for your house (established in 1772) to supply the pressing young man's need, and to inaugurate a new era in the history of the Trade. We trust that your established reputation—founded upon eighty years of experience—abundantly vindicates our claim of public confidence.
